

HEDGEWEEK AWARD CONFIRMS JP FUND ADMINISTRATION STATUS WITHIN THE HEDGE FUND INDUSTRY

(LONDON, 04 MARCH 2011) - JP Fund Administration has received recognition of its client focus and consistent service delivery with the award of Best Offshore Hedge Fund Administrator at the annual Hedgeweek Awards ceremony held in London. The awards are decided by votes from Hedgeweek's subscribers, consisting of industry professionals, service providers, investment managers and investors.

JP Fund Group Executive Chairman and JPFA Director, Philip Griffiths commented, "We are very proud of our achievements to date and excited by the opportunities the future offers. We look forward to continuing to grow the business while maintaining the same values and are delighted to be recognised by our industry peers and clients; it proves we have the right client focus and business model."

Mr Griffiths added, "We are also proud that Capricorn FX G10 SP, one of the funds established and administered by the Group has also been voted the Best Futures CTA in the awards."
